

Florida Diagnostic & Learning — RESOURCES SYSTEM —

2023-24 GIFTED ENDORSEMENT COURSES SCHEDULE

The following five modules are offered by FDLRS Galaxy AT NO COST to satisfy the course requirements for the Gifted Endorsement (300 hours), for educators in Indian River, Martin, Okeechobee and St. Lucie Counties. Dates and modules subject to change.		
MODULE	DESCRIPTION	2023-24
Nature & Needs of the Gifted	Nature and Needs of Gifted Students provides an overview of the evolution of gifted education on the national, state and local level. Major events affecting gifted education are described as well as major policies, and procedures governing the delivery of gifted education. Cognitive, social, and emotional characteristics common to individuals who are gifted are identified along with strategies that can be used to meet the academic needs of different categories of students who are gifted.	11/13/2023 through 1/3/2024 Facilitated by: Karol Carvelli Moodle Platform
Guidance and Counseling for the Gifted	The Guidance and Counseling of Gifted Students module provides an overview of the theory, research, practical strategies, and resources on guidance and counseling, with an emphasis on classroom application in the gifted classroom.	8/21/2023 through 10/31/2023 Facilitated by: Karol Carvelli Moodle Platform
Education of Special Populations of Gifted Students	The Education of Special Populations of Gifted Students module provides an overview of the challenges and issues that face diverse populations of gifted students as they struggle to gain acceptance, recognition, and access to appropriate gifted education to meet their individual needs.	2/20/2024 through 4/30/2024 Facilitated by: Karol Carvelli Moodle Platform
Theory and Development of Creativity	Theory and Development of Creativity module provides an overview of the theory, research, practical strategies and resources on creativity, with an emphasis on classroom application in the gifted classroom.	TO BE DETERMINED
Curriculum and Instructional Strategies for the Gifted	Curriculum and Instructional Strategies for Teaching Gifted Students provides an analysis of curriculum modifications for gifted learners based on the National Association of Gifted Children (NAGC) Standards for Graduate Programs in Gifted Education.	ONLINE THROUGH NEFEC 5/22/23 to 7/16/23 COURSE COMPLETED

Each online gifted endorsement course is 8-10 weeks long. Courses offer flexibility to work at your convenience and are completely online. The Gifted Endorsement courses can be taken in any order.

Modules will be advertised on FDLRS Website, www.fdlrsgalaxy.org under Educator Resources, Gifted or Professional Development. Contact Christine.Jordan@stlucieschools.org (772)429-4585 with any questions. The Teacher Education Add-on Program for Certification in the Gifted Endorsement is designed to provide teachers local access to professional learning and to address Florida's critical teacher shortages in programs for ESE. The target audience are teachers assigned out-of-field in gifted programs; however, the modules are appropriate for certification renewal and/or professional learning. Priority will be given to teachers who are currently teaching gifted students. Enrollment is limited to 25 participants. Credits earned through this program may not be used for college or university credit. It will be the responsibility of the participant to verify with their local staff development office and/or the Florida Department of Education certification office any additional certification requirements.

FDLRS is funded by the Florida Department of Education, Division of Public Schools, Bureau of Exceptional Education and Student Services, through federal assistance under the Individuals with Disabilities Education Act Part B and State General Revenue funds.
